PART II  
NARRATIVE SUMMARY

Company A (Rein), 7th Engineer Battalion continued the engineer support of the Third Marine Amphibious Brigade.

Company A is providing a camp maintenance crew of eight men to the Third MAB headquarters.

The company continued to prepare equipment for retrograde. On 13 May 1971, information was received not to return equipment to 7th Engineer Battalion but to turn all equipment to 1st FSR.

The company was assigned sixteen additional Butler buildings for dismantling and shipment. Of the original twenty-six buildings all have been dismantled and shipped. Of the sixteen additional buildings, eight are down and packed and eight are in the process of being dismantled.

The company officially ceased operations on 27 May 1971. Work was continued on outstanding work orders.
